Woman-owned business

Business credentials: WOSB | DWSOB | MBE | WBE

Principals' certifications: PMP | CHC | CHFM | CHSP

EXPERIENCE THAT SUPPORTS YOUR PROJECT

Chris: Has managed multiple healthcare, military, and hospitality sites simultaneously, regionally and nationally. Expertise spans project execution, project advisement, capital planning, O&M contracts, maintenance, contractor performance, and life safety. Led survey preparation across multiple facilities with zero documentation findings.

Kimberley: Leads project management and project controls across healthcare and manufacturing, managing scope, budgets, schedules, and stakeholders. Experience includes a freestanding ED, hospital build-outs, PMO leadership, and packaging equipment for medical supplies, food, and snacks. Prepared a \$50 million design-build expansion package awaiting funding.

SAFETY TRAINING FOR HEALTHCARE STAFF AND TEAMS

CHS-EVS | CHSP | CHFSP | CHCM
